

DOOR HANDLE INSTALLATION

INTRODUCTION

Thank you for purchasing an authentic Pearl® Door Hardware. The Door Hardware you have purchased is crafted out of the highest quality stainless steel for our handles and precision made latch mechanism.

Each and every unit was tested and carefully inspected delivering to our partners. Please read the instructions carefully to prevent any malfunction.

PARTS - PASSAGE TYPE

PARTS - PRIVACY TYPE

PARTS - DUMMY TYPE

INSTALLATION - PASSAGE/PRIVACY

1. PREP DOOR

Mark site 60mm otr 2-3/8" from the edge of the door. Bore a 54mm or 2-1/8" diameter hole for the handle and 25mm or 1" diameter hole for the latch. Cut out a 58x26x3mm base for the latch plate.

2. INSTALL LATCH

Install the latch into the 25mm/1" hole making sure the orientation is correct. Threaded hole for privacy pin must face interior side of door. Screw the latch into the end of the door with the 2 supplied screws

3. THREAD SPINDLE THROUGH THE HOLE

From inside of door, insert short end of spindle through the latch.

4. INSTALL BASE PLATE

Take the set of Door Mount on each side of the handle hole and connect them with the 2 supplied screws. Make sure to note that there are RIGHT and LEFT version of the mount. The proper installation is for the handle to turn downwards only on each side. If incorrect, change the mounts around. The mounts should line up to the center of the spindle. For Privacy versions, the orientation of the mounts should allow the privacy pin hole to align with the privacy attachment on the latch.

5. ATTACH ROSE

Slide the rose cover over the mounts on each side of the door. Each rose has a notch on it. Make sure to line up the rose notch to the mount and push on securely. For Passage versions, the Rose will not have any holes. For Privacy version, there will be a hole for the Privacy Stick. Install the privacy stick (if needed) by threading the stick into the hole on the inside door side and hand tighten.

6. ATTACH HANDLES

For each side of the door, place the supplied gasket onto the spindle, then handle. (Make sure the handle orientation is correct). Tighten the handle onto the spindle with the Allen key screw.

DUMMY INSTALLATION

1. INSTALL MOUNT

Mark to spot on the door. Place the Dummy mount on the door and screw in with the 3 supplied screws.

2. INSTALL BASE PLATE

Line up the base plate to the dummy mount and attach securely with the 4 supplied screws.

3. INSTALL ROSE

Slide the rose cover over the mounts on each door. Each rose has a notch on it. Make sure to line up the rose notch to the mount and push on securely. These rose should NOT have any privacy holes on them.

4. ATTACH HANDLES

For each door, place the supplied gasket onto the spindle, then handle. (Make sure the handle orientation is correct). Tighten the handle onto the spindle with the Allen key screw.

WARRANTY

Accessories and Door Hardware Limited Lifetime Warranty

PEARL® provides a limited lifetime warranty on all PEARL® Accessories and Door Hardware, hereafter referred to as the "Product", for as long as the original purchaser owns the home in which the Product was originally installed and no other Product-specific limitations apply. This warranty exclusively covers manufacturing defects in material and workmanship of the Product during normal residential use. A Product subjected to commercial use may be covered by PEARL® Limited Commercial Warranty. Rialto Products may have specific limitations. Please refer to the respective clauses below for more information.

Limitations & Exclusions

Reduction of the finish, scratches, stains, or acid and alkaline etching due to regular use, cleaning practices, or atmospheric conditions are not manufacturing defects and are not covered by this warranty. Failure to comply with cleaning instructions will void this warranty. This warranty does not cover any incidental or consequential costs or damage from: installation, maintenance, repair, misuse, abuse, alterations, accidents, natural deposits, natural oxidation, erosion, or force majeure. This warranty also does not cover damage due to outside conditions, including dirt or grime that may accumulate. Wall damage due to improper or loose installation is also not covered by this warranty. The Product must be installed by a qualified professional in order for this warranty to apply. Exclusive warranty coverage starts from the invoice date of the Product, or, in the event that the Product is installed in a new construction project, the date of occupancy by the original owner, whichever is later. PEARL® reserves the right to discontinue or modify any Product at any time. Proof of purchase will be required, and the retrieval of this information will be the Product owner's responsibility in order to be valid for warranty benefits. Labour, shipping and handling are not included under this warranty. PEARL® will not be liable for any incidental or consequential damages or losses regardless of the legal theory asserted and whether arising in contract or in tort. The customer agrees to indemnify and hold harmless PEARL® and their officers, agents, distributors and employees from any liability, loss, or damage the customer may suffer as a result of claims, demands, costs, or judgments arising out of the installation or use of the Product. This warranty is non-transferable.

Exclusive Remedy

In the event of any defect in the Product that breaches the foregoing warranties, PEARL®, at its option, will refund or replace the defective part of the Product. Labour for repair or re-installation is not covered by this warranty. PEARL® is to be notified with a description of the problem to claim the defective Product. In order to notify PEARL® and receive assistance or service under this warranty, the original purchaser may: (1) fill out our support form at support.lifewithpearl.com, or (2) email us at support@lifewithpearl.com, or (3) call 1-604-242-1601 for a customer service representative who can assist you, or (4) write the customer service department, care of PEARL® Inc., 115-1231 Burdette Street, Richmond BC, V6V 2Z2, and include a description of the problem, model number, copies of original purchasing information, your name, address, phone number and approximate date of purchase, or (5) notify the location or distributor from which the Product was purchased. You may be required to return the Product to PEARL® for inspection and proof of purchase and photos of the Product will be required.

Commercial Warranty

All parts and finishes of a Product that is subjected to commercial use are warranted to the original purchaser to be free from defects in material and workmanship for three years for door handles, and five years for all other accessories and door hardware from the date of purchase under normal installation, use and service. This warranty applies only to Pearl® commercial Products installed in Canada. All aforementioned warranty exclusions apply.

Rialto Product Warranty

Rialto Pearl® Products are warranted to the original purchaser to be free from defects in material and workmanship for one year from the date of purchase under normal installation, use and service. Exclusive warranty coverage starts from the invoice date of the Product, or, in the event that the Product is installed in a new construction project, the date of occupancy by the original owner, whichever is later. All aforementioned warranty exclusions apply.
