

Pearl® LED Mirror Limited Lifetime Warranty

Pearl® LED Mirror Limited Lifetime Warranty provides assurances to the consumer that the Pearl® LED Mirror is free from defective manufacturing and workmanship for the lifetime of the product, which is the duration of one (1) year including the LED fixture. Homeowners must claim any and all manufacturing and workmanship defects within the first year of installation.

Pearl® LED Mirror Limited Lifetime Warranty reserves the right to either provide credit, parts, or a replacement. It is under Pearl®'s discretion to issue a full product replacement or a replacement part if the product in question is eligible for the warranty. **In the case that a replacement is necessary, the homeowner will only receive a replacement of the same value or of the same model.**

Pearl® is not responsible for any costs associated with the replacement or return of the Pearl® product and is not responsible for any costs or damages associated with the installation or removal of the Pearl® LED Mirror including the replacement of parts.

Pearl® LED Mirror Limited Lifetime Warranty coverage excludes: *a) damages and problems originating from improper installation, b) finish reduction, c) scratching and staining, d) damage from chemical cleaners, e) damage from abrasive cleaners, f) damage from atmospheric and environmental conditions, g) electrical damage caused by a shortage, blackouts, brownouts or any external electrical interference or h) damage to material from external force i) other external damages not listed here.*

Any damage or incidents associated with the LED Mirror will not be the responsibility of Pearl® . This includes but is not limited to, *damage to wiring, external electrical issues from improper installation, shortages causing damage, cabinet or drywall damage, or accidents resulting in physical harm.*

The liability of Pearl® only covers the Pearl® LED Mirror and shall not exceed the purchase price of the product. **Pearl® LED Mirrors are only warrantable for home use only, any commercial usage voids the warranty. The warranty of Pearl® is voided if damages are caused by the following: environmental disasters (fire, earthquakes, floods, storms) misuse, and abuse, and any other external causes not listed here. Any damages, harm, or legal building code compliance resulting outside the physical LED Mirror are the responsibilities of the homeowner and installers.**

Installations that are not done by a licensed trade professional are not the responsibility of Pearl® and the warranty would then be voided. All installations are to be tested before use by the installer.

To be eligible for the Pearl® LED Mirror Limited Lifetime Warranty, The LED Mirror must be in its original installation position, if the Pearl® LED Mirror has been relocated in any way, the warranty will be voided. Relocation of the Pearl® LED Mirror includes the installation of the LED Mirror to a different location in the home, in a new home, in its originating location after a home is rebuilt, or if the LED Mirror was used for commercial use.

To qualify for Pearl® LED Mirror Limited Lifetime Warranty, the homeowner must provide the following:

- Proof of Authenticity of the LED Mirror
- Proof of Original Installation Date. Documents acceptable for proof can include the following:
 - Original Receipt from the Origin of Purchase
 - Packing Slip
 - Invoice from Plumber or Supplier.

To prove the product in question is a Pearl® LED Mirror, the homeowner **must provide pictures of the LED Mirror in its entirety and a picture of the Pearl® Logo.** The picture of the whole LED Mirror must be clear and identifiable as Pearl® LED Mirror. The picture of the logo must clearly show the logo, **pictures that are distorted or doctored by software will not be accepted.**
